

PETROGEN PREMIUM 15W40 SL/CF

PETROGEN PREMIUM 15W-40 SL/CF is a high performance mineral passenger car motor oil formulated from the latest additive technology and carefully selected mineral base stocks. It has been especially developed for all gasoline, diesel and LPG fuelled engines of passenger cars and light commercial vehicles.

APPLICATIONS:

- Where API performance category SL/CF oils are recommended.
- In older gasoline powered passenger car engines.
- In all turbocharged gasoline engines.
- In larger gasoline engines used in severe service, such as towing trailers, campers, etc.

PETROGEN PREMIUM 15W-40 SL/CF is recommended for all modern vehicles, including high performance, turbo-charged, multi valve, direct injected gasoline-, diesel- and LPG fuelled engines of passenger cars and light commercial vehicles.

PERFORMANCE STANDARDS:

PETROGEN PREMIUM 15W-40 SL/CF meets and exceeds the requirements of most modern European, North American and Japanese car manufacturers.

Viscosity Index	137
TBN mgKOH/gm	10
Flash Point°C	232
Pour Point °C	-27

PETROGEN PREMIUM 15W40 SL/CF

BENEFITS

PETROGEN PREMIUM 15W-40 SL/CF has very good thermo-oxidative stability, effectively preventing the formation of sludge and deposits, resulting in a prolonged engine life.

Health and Safety: Based on available information, this product is not expected to produce adverse effects on health when used for the intended application, following the recommendations provided in the Material Safety Data Sheet (MSDS). MSDSs are available upon request. This product should not be used for purposes other than its intended use. If disposing of used product, take care to protect the environment.

Due to continual product research and development, the information contained herein is subject to change without notification. Typical Properties may vary slightly.
